### **Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

#### *Name Change*

On August 17, 2017, Car Charging Group, Inc. (the “Company”) filed a Certificate of Amendment to its Articles of Incorporation (the “Charter Amendment”) changing the Company’s name to Blink Charging Co (the “Name Change”).

#### *1-for-50 Reverse Stock Split*

The Charter Amendment also included a 1-for-50 reverse stock split of the Company’s common stock (the “Reverse Split”).

The above description of the Charter Amendment does not purport to be complete and is qualified in its entirety by reference to the Charter Amendment, which is attached hereto as Exhibit 3.1 to this Current Report on Form 8-K.

As previously disclosed in a Definitive Information Statement on Schedule 14C filed with the Securities and Exchange Commission on February 21, 2017, the Name Change and the Reverse Split was approved by our stockholders on February 7, 2017. On that date, the Company received written consent in lieu of a meeting of Stockholders (the “Written Consent”) from holders of shares of voting securities representing approximately 50.17% of the total issued and outstanding shares of voting securities of the Company approving the granting of discretionary authority to the Board of the Directors of the Company, at any time or times for a period of 12 months after the date of the Written Consent, to adopt an amendment to the Company’s Articles of Incorporation, as amended, to effect a reverse stock split and a name change.

The Reverse Split was implemented by the Company in connection with the Company’s application to list its shares of common stock on the NASDAQ Capital Market (“NASDAQ”). The Reverse Split is intended to fulfill the stock price requirements for listing on NASDAQ since the requirements include, among other things, that the Company’s common stock must be, at time of listing, \$4.00 or higher. There is no assurance that the Company’s application to list its shares of common stock on NASDAQ will be approved.

On August 28, 2017, the Company received notice from Financial Industry Regulatory Authority (“FINRA”) that the Reverse Split had been approved and would take effect at the opening of trading on August 29, 2017. For purposes of trading, the Name Change took effect on the same date.

#### *Amendment to Series C Convertible Preferred Stock Certificate of Designation*

The Company has filed a registration statement on Form S-1 on November 7, 2016 (as amended) for a public offering of its securities. On August 25<sup>th</sup> (and on August 29<sup>th</sup>), the Company filed amendments to its Certificate of Designation for Series C Convertible Preferred Stock (the “Preferred Stock Amendments”) to provide for the Series C shares to automatically convert into shares of common stock at the closing of the offering in accordance with a certain formula.

The above description of the Preferred Stock Amendments does not purport to be complete and is qualified in its entirety by reference to the Preferred Stock Amendments, which is attached hereto as Exhibits 3.2 and 3.3 to this Current Report on Form 8-K.

### **Item. 8.01 Other Items**

The information set forth in Item 5.03 is incorporated by reference.

Effective August 29, 2017, as a result of the Reverse Split, every 50 shares of the Company’s issued and outstanding common stock will be converted into one share of issued and outstanding common stock. The number of authorized shares remains unchanged. No fractional shares will be issued in connection with the Reverse Split. Any fractional shares of common stock resulting from the Reverse Split will be rounded up to the nearest whole share. It is not necessary for stockholders to exchange their existing stock certificates for new stock certificates in connection with the Reverse Split. Stockholders who hold their shares in brokerage accounts are not required to take any action to exchange their shares.

---

The Company's shares will continue to trade on The OTC Markets marketplace under the symbol "CCGI" with the letter "D" added to the end of the trading symbol for a period of 20 trading days (ending on September 26, 2017) to indicate that the Reverse Split has occurred.

The Reverse Split has no impact on shareholders' proportionate equity interests or voting rights in the Company or the par value of the Company's common stock, which remains unchanged.

On August 29, 2017, the Company issued a press release with regard to the Name Change and Reverse Split. The press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Exhibit A

AMENDMENT TO THE  
CERTIFICATE OF DESIGNATION OF PREFERENCES,  
RIGHTS AND LIMITATIONS OF  
SERIES C CONVERTIBLE PREFERRED STOCK OF  
BLINK CHARGING CO.

Section 6. Conversion.

a) Automatic Preferred Conversion. Upon the closing of (i) a public offering of the Company's securities; and (ii) the listing of the Company's shares of common stock on the Nasdaq Capital Market or other national securities exchange (collectively, the "Offering"), all outstanding shares of Preferred Stock shall be converted into that number of shares of Common Stock determined by the following formula: the number of Series C Preferred shares multiplied by (i) a factor of 115 divided by (ii) 80% of the per share price of Common Stock in the Offering (the "Automatic Preferred Conversion"). Upon the triggering of the Automatic Preferred Conversion, the Company shall send each Holder prompt written notice (the "Automatic Preferred Conversion Notice") specifying the conversion price and date upon which such conversion was effective (the "Effective Date") and the number of restricted shares of Common Stock to be issued to each Holder upon conversion. The Automatic Preferred Conversion Notice will also contain instructions on surrendering to the Company the Holder's original Series C Preferred share certificates; provided, however, the Automatic Preferred Conversion shall be effective on the Effective Date whether or not a Holder surrenders their original Series C Preferred share certificates, which shall be null and void on the Effective Date.

b) Conversion Price. The conversion price shall be specified in the Automatic Preferred Conversion Notice (the "Conversion Price").

c) Lock-Up. Until 270 days after the Effective Date, (the "Lock-Up Period"), no Holder shall, without the prior written consent of the underwriter of the Offering (the "Underwriter"), (1) offer, pledge, sell, contract to sell, grant, lend, or otherwise transfer or dispose of, directly or indirectly, any Series C Preferred Shares or shares of the Common Stock obtained through conversion of the Series C Preferred pursuant to this Section 6 or pursuant to any other such agreement that converts the Series C Preferred Shares into Common Stock, whether now owned or hereafter acquired by the Holder of such securities or with respect to which the Holder of such securities has or hereafter acquires the power of disposition (collectively, the "Lock-Up Securities"); (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Lock-Up Securities, whether any such transaction described in clause (1) above or this clause (2) is to be settled by delivery of Lock-Up Securities, in cash or otherwise; (3) make any demand for or exercise any right with respect to the registration of any Lock-Up Securities; or (4) publicly disclose the intention to make any offer, sale, pledge or disposition, or to enter into any transaction, swap, hedge or other arrangement relating to any Lock-Up Securities. Notwithstanding the foregoing, and subject to the conditions below, a Holder may transfer Lock-Up Securities without the prior written consent of an underwriter in connection with (a) transactions relating to Lock-Up Securities acquired in open market transactions after the completion of the Offering; provided that no filing under Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), shall be required or shall be voluntarily made in connection with subsequent sales of Lock-Up Securities acquired in such open market transactions; (b) transfers of Lock-Up Securities as a bona fide gift, by will or intestacy or to a family member or trust for the benefit of a family member ("family member" means any relationship by blood, marriage or adoption, not more remote than first cousin); (c) transfers of Lock-Up Securities to a charity or educational institution; or (d) if a Holder, directly or indirectly, controls a corporation, partnership, limited liability company or other business entity, any transfers of Lock-Up Securities to any shareholder, partner or member of, or owner of similar equity interests

in such entity, as the case may be; provided that in the case of any transfer pursuant to the foregoing clauses (b), (c) or (d), (i) any such transfer shall not involve a disposition for value, (ii) each transferee shall sign and deliver to the Underwriter a lock up agreement substantially in the form of the lock-up provision in this Section 6(d) and (iii) no filing under Section 16( a) of the Exchange Act shall be required or shall be voluntarily made. The Holder also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of their Lock-Up Securities except in compliance with the lock-up provisions of this Section 6(d).

d) Modification of Terms. If, and whenever, prior to the Effective Date, the Company, pursuant to a conversion agreement (whether entered into prior to, on, or after August [ ], 2017) for any securities of the Company including, but not limited to, a warrant, option, a convertible note, or convertible preferred stock is notified of and implements a conversion that is or will be more favorable to the Holder of such securities than the terms of conversion for Holders of the Series C Preferred Stock in Sections 6(a) and 6(b), then (i) the Company shall provide notice thereof to the Holders of the Preferred Stock following the occurrence thereof and (ii) the terms of conversion in Sections 6(a) and 6(b) shall be, without any further action by the Holders of Preferred Stock or the Company, automatically amended and modified in an economically and legally equivalent manner such that the Holders of Preferred Stock shall receive the benefit of the more favorable terms set forth in any such conversion agreement.

e) Expiration of Conversion Provision. If the Offering does not close by 5:00 PM Eastern Standard Time on December 29, 2017, Sections 6(a), 6(b), 6(c) and 6(d) above shall be null and void and this Section 6 shall revert back to the Conversion provision of Section 6 of the Certificate of Designation of Preferences, Rights and Limitations of Series C Convertible Preferred Stock of Blink Charging Co., as filed with the Secretary of State of Nevada on December 23, 2014.

**CarCharging Announces Corporate Rebranding and Reverse Split**

---

*One of the Largest Electric Vehicle Charging Equipment and Service Companies Continues its Integration Efforts and Unifies its Corporate Identity*

**August 29, 2017 – South Florida – Car Charging Group, Inc.** (OTC: CCGID) (“CarCharging”), one of the leading owners, operators, and providers of electric vehicle (EV) charging services, and the owner of the Blink Network, announced that the Company has changed its name to Blink Charging Co. (“Blink Charging”). The Company has also implemented a 1 for 50 reverse stock split, which is effective today. For the next 20 business days, the Company’s stock symbol will be CCGID and then will revert to CCGI.

The Company’s name change to Blink Charging integrates the Company’s largest operating entity, Blink Network, and represents the thousands of Blink EV charging stations that the Company owns and/or operates, and the Blink network, the software that manages, monitors, and tracks the Blink EV stations and all its charging data.

“Changing the name of the Company to Blink Charging continues our integration efforts and corporate rebranding, which allows us to unify our identity and illustrates the company’s primary products and services,” stated Mike Calise, Blink Charging’s Chief Executive Officer. “The reverse split is also another step in the right direction towards achieving a listing on a national stock exchange and to build additional shareholder value.”

The Company recently launched its new website, [www.BlinkCharging.com](http://www.BlinkCharging.com), which is the digital representation of the corporate rebranding and integration of [CarCharging.com](http://CarCharging.com) and [BlinkNetwork.com](http://BlinkNetwork.com).

**About Blink Charging Co.**

Blink Charging Co. (OTC: CCGID) (“Blink Charging”) is one of the leaders in nationwide public electric vehicle (EV) charging equipment and services, enabling EV drivers to easily charge at locations throughout the United States. Headquartered in Florida with offices in Arizona and California, Blink Charging’s business is designed to accelerate EV adoption.

Blink Charging offers EV charging equipment and connectivity to the Blink Network, a cloud-based software that operates, manages, and tracks the Blink EV charging stations and all the associated data. Blink Charging also has strategic property partners across multiple business sectors including multifamily residential and commercial properties, airports, colleges, municipalities, parking garages, shopping malls, retail parking, schools, and workplaces.
